# YOU FOUND THE SECRET CAVE!

The ocean depths still hide astonishing animals, sometimes very rare and mysterious.

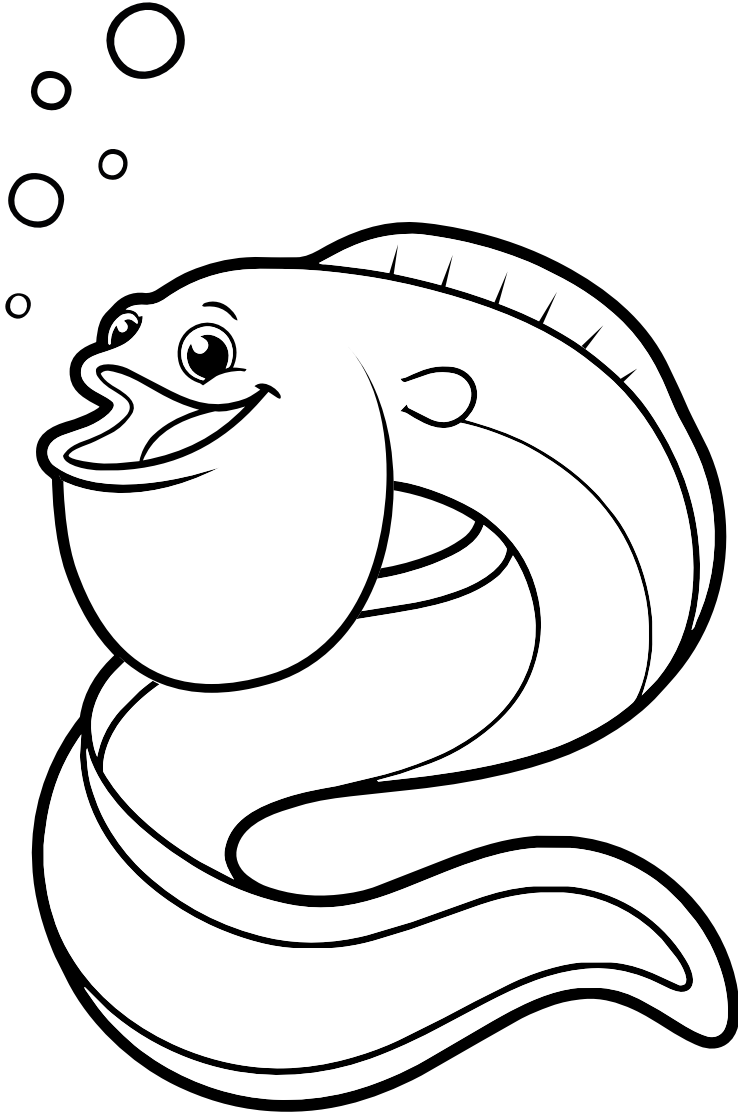

Have fun printing, coloring, and collecting these **10 new marine creatures** to complete your incredible underwater adventure!

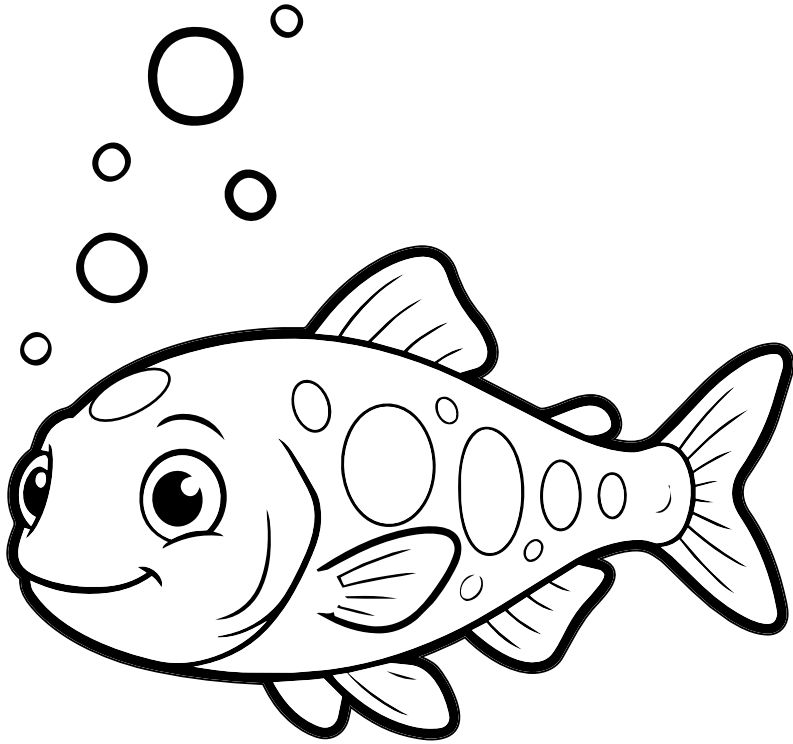

**SEA SLUG**

She lives in the sea and can be very colorful.

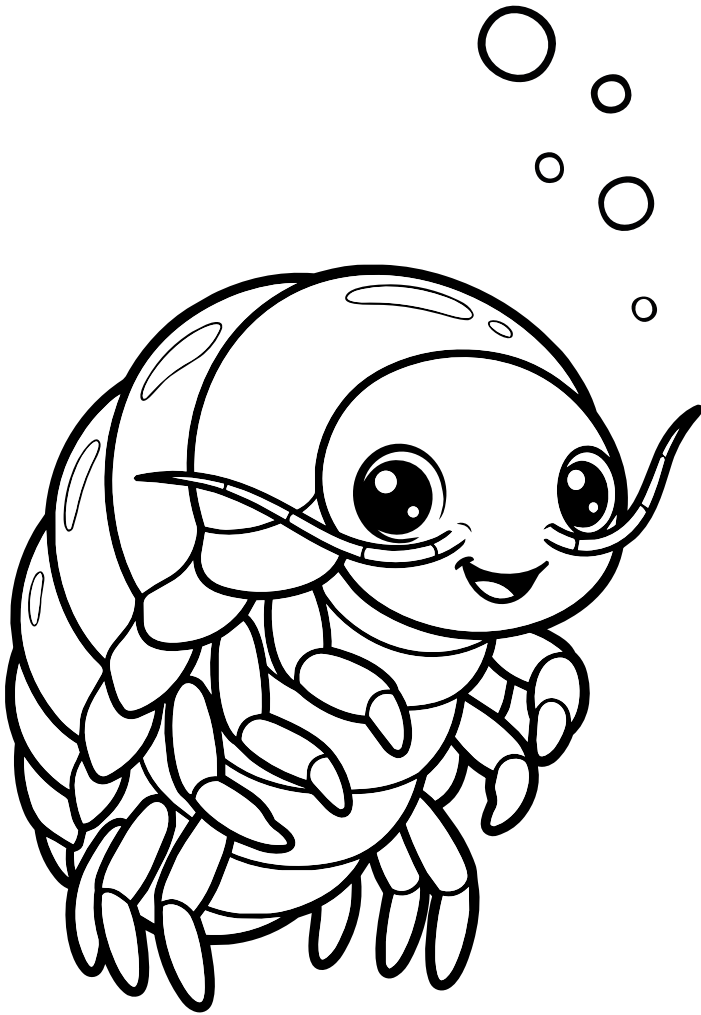

## **PELICAN EEL**

It has a large mouth to catch its prey.

## **LANTERNFISH**

It produces light in the dark of the depths.

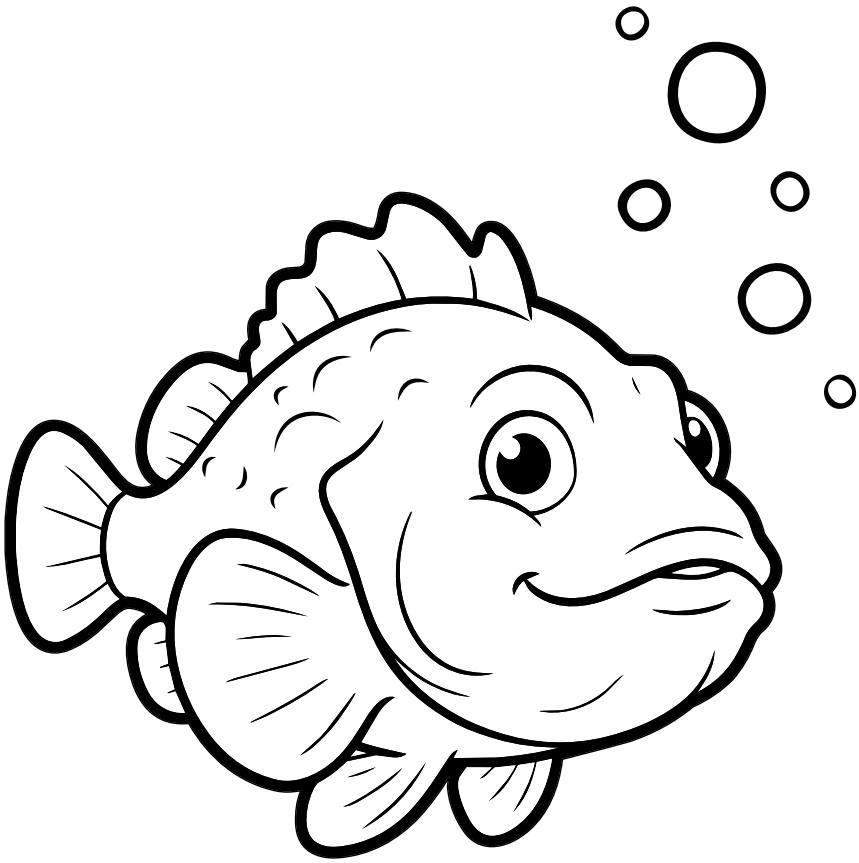

## **GIANT ISOPOD**

The giant isopod rolls into a ball to protect itself.

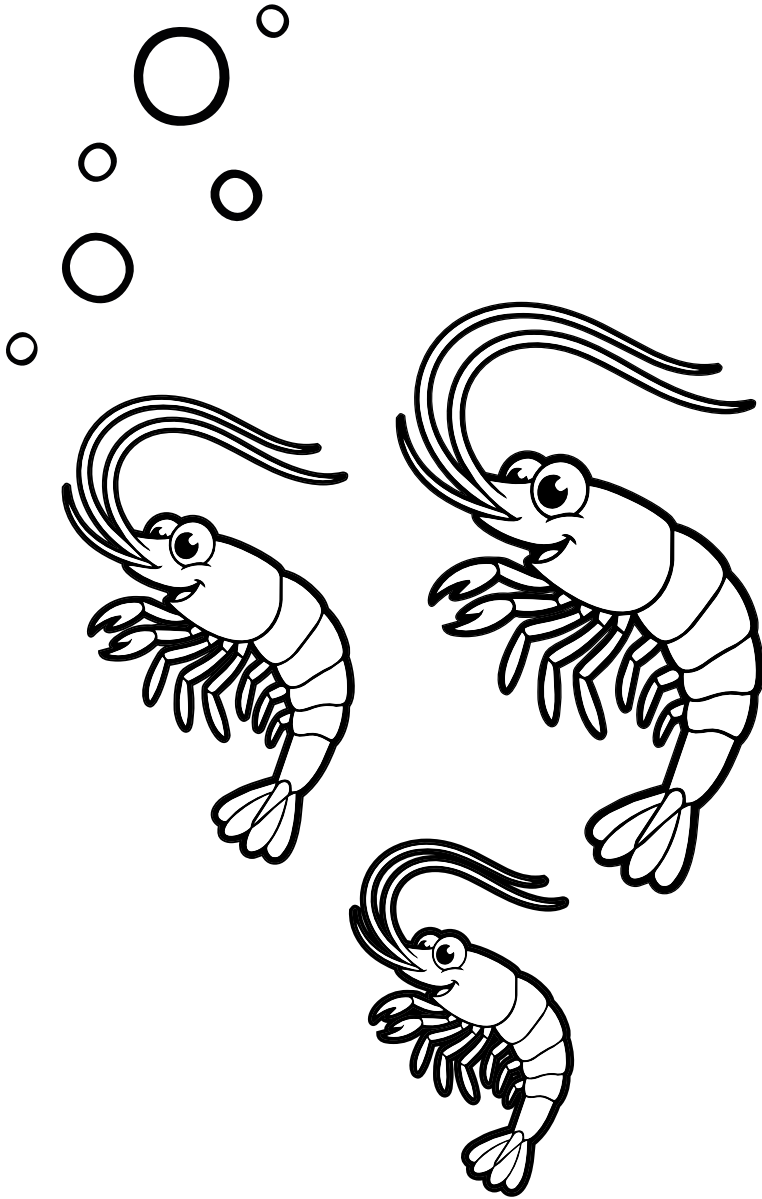

## **DUMBO OCTOPUS**

It swims by flapping its fins like little ears.

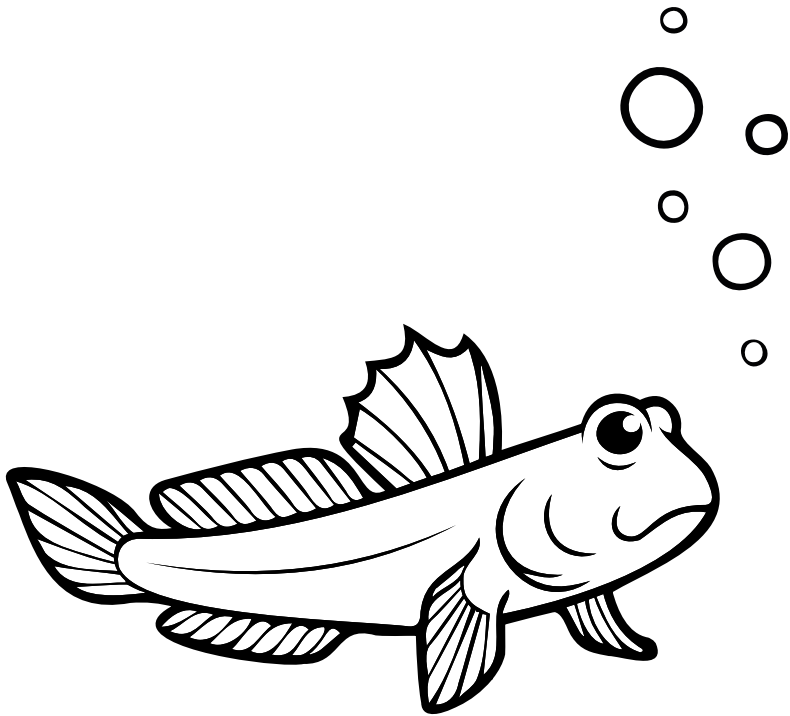

## **ROCKFISH**

It hides among the rocks.

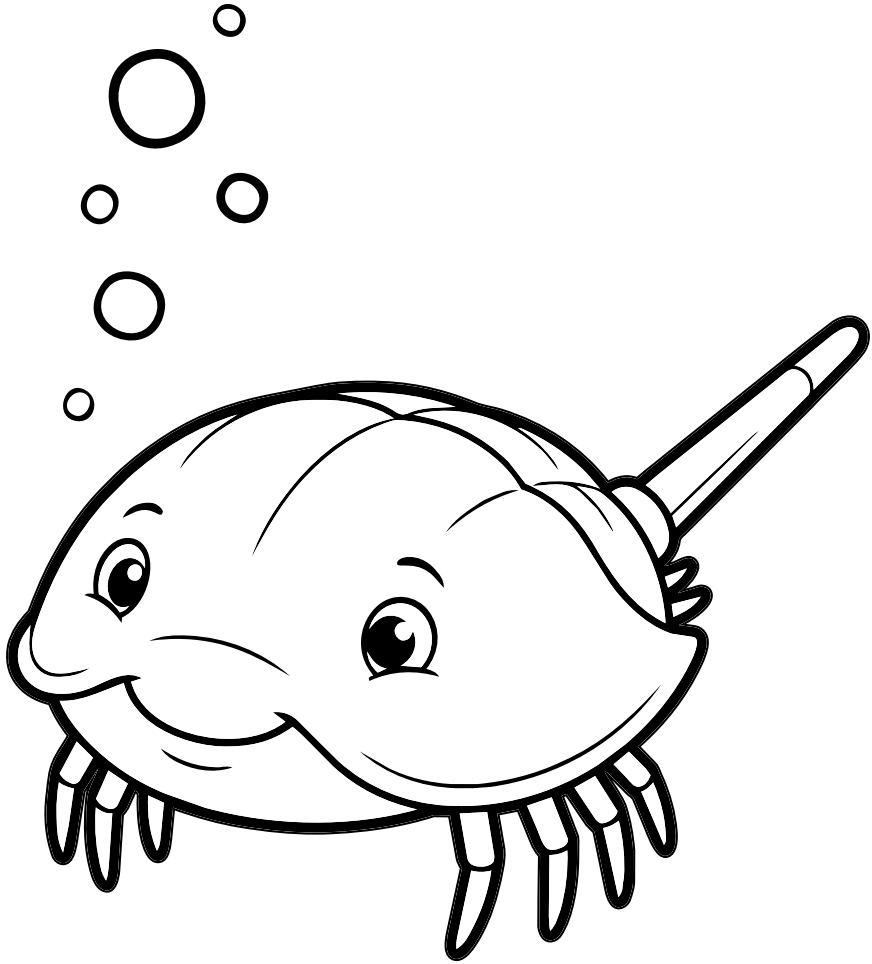

## **CLEANER SHRIMP**

They live in rock crevices and clean fish.

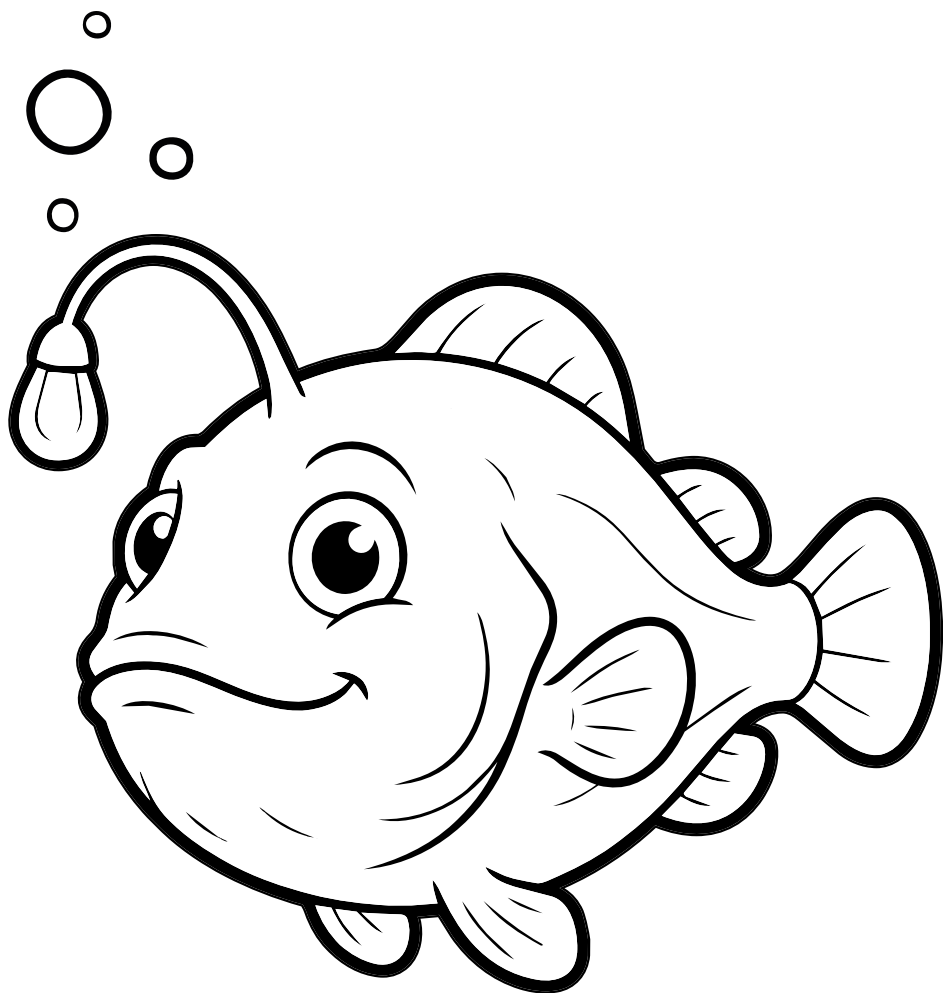

## **MUDSKIPPER**

It can come out of the water and walk on the mud with its fins.

## **HORSESHOE CRAB**

It has a shell as hard as armor.

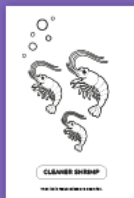

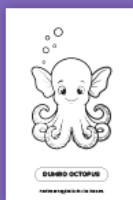

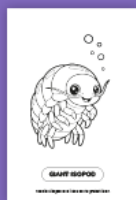

## **ANGLERFISH**

It lives very deep and attracts its prey with a light.

# MISSION ACCOMPLISHED!

**Well done, explorer!** Your courage and curiosity helped you dive deep into the ocean and discover incredible sea creatures.

Keep printing, coloring, and collecting these species to complete your collection!
